

SPECIFICATION

ISO: 75F41D01-85
March 1, 2009
[5th edition]

Product Name: **DIAPHORASE (NADH) [DI]**
(NADH:acceptor oxidoreductase, EC 1. 6. 5. 2)

Product Number: **T-06**

Origin: *Bacillus megaterium*

Description: Yellowish lyophilized powder

Activity: 30~60 U/mg

Appearance of solution: Clear
(2U/mL in buffer solution)
A400nm ≤0.050
A500nm ≤0.025
A650nm ≤0.010

Storage: Store in tightly closed containers, desiccated, protected from light, at -20°C.

Hazard Statement: Non-Hazardous. And for In Vitro Diagnostic Use.
